

# The Owl Class: Our Babies

## SUPPLIES:

- **We would like each child to have a bag, backpack, or diaper bag.** 😊
- Please pack enough breast milk or formula for the day. Please send in as many bottles as needed, as well. We cannot wash bottles in the owl room.
- Several pacifiers – if needed
- Several extra outfits or onesies - Label with your child's name.
- 3 Packs of Sensitive Baby Wipes
- Diapers for your child (Most parents send in a box or sleeve at a time.)
- Diaper cream, if necessary
- Box of Tissues
- Lysol wipes
- Paper Towels
- Hand soap
- Disposable bibs
- Batteries
  - girls: AA batteries
  - boys: C batteries
- Can of spray air freshener
- Nap Time

- Crib Sheet and blanket – each child will have a designated Pack-n-Play
- Lovey or pacifier (we want nap time to be as easy for your child as possible)  
If your child needs a blanket or lovey or two –we ask that you try to send something that can stay at school all week (if at all possible – we realize in some cases that is not an option). Many parents find buying a duplicate lovey helps keep home and school stuff separate, and it ensures that you don't get to bedtime and realize the lovey is still at school.

- ❖ During the year, the teachers will let you know when your child needs more diapers & diaper cream. If your child needs a certain kind of wipes, please provide those labeled with your child's name.

**MONTHLY SUPPLIES:** Every month please bring in a pack of sensitive wipes, a container of Lysol or Clorox wipes, and a roll of paper towels for the class.

**MEALS:** Once your child has moved to solid foods, please make sure to send in spoons and utensils for us to feed your child, and that **all foods need to be cut up and "very small" bite size.** Learning to self feed is a big goal as children start eating solid foods. There is a small refrigerator, bottle warmer, and microwave available for the Owl class only. Once they move up to the Panda room, parents are asked to send in cold and hot packs.

**Thank you for your help providing supplies. Feel free to send these items into school within the first month of your child starting at Lakewood. Thank you for trusting us to care for your most important treasure!!**

# The Panda Class: Our Toddler Class

## SUPPLIES:

- **We would like each child to have a full size back pack.** 😊 The little toddler backpacks are very cute, but unfortunately they do not fit everything. Please bring a full size bag for your child.
- Lunchbox that can hold all of your child's lunch food, drink, and any necessary ice packs. It is hard for us to keep up with multiple bags for one meal. The preschool will supply bags for you to use for both morning and afternoon snack.
- Extra clothes (for bathroom accidents, spills, and messy foods). Label with your child's name.
- 3 Packs of Sensitive Baby Wipes
- Diapers for your child
- Diaper cream, if necessary
- Box of Tissues
- Lysol wipes
- Paper Towels
- Hand soap
- Disposable bibs
- 2 cans Shaving Cream
- Batteries
  - girls: AA batteries
  - boys: C batteries
- Can of spray air freshener
- Water shoes (croc-like shoes work best) Closed toe shoes are still required for every day play! Please label with your child's name. 😊
- Nap Time
  - Nap Roll (see the preschool Facebook group for links) The all in one Nap Rolls are preferable. If you are not able to get one, please send in a crib sheet & blanket.
  - Lovey or pacifier (we want nap time to be as easy for your child as possible)  
We ask that you try to send **one lovey a week**, preferably that can stay at school all week. Many parents find buying a duplicate lovey helps keep home and school stuff separate, and it ensures that you don't get to bedtime and realize the lovey is still at school.
- ❖ WISH LIST ITEMS – Please send in any old kitchen tools, pots, bowls, spice containers for our mud kitchens. We love to play with realistic toys. 😊
- ❖ During the year, the teachers will let you know when your child needs more diapers & diaper cream. If your child needs a certain kind of wipes, please provide those labeled with your child's name.

**Thank you for your help providing supplies. Feel free to send in these items as early as August 7 or before September 5. Thank you so much!**

**MONTHLY SUPPLIES:** Every month please bring in a pack of sensitive wipes, a container of Lysol or Clorox wipes, and a roll of paper towels for the class.

**MEALS:** Your child will need to bring a morning snack (in the AM snack bag that **we will provide**) and a lunch with a drink. If your child stays for nap, they will need to bring an afternoon snack (in the PM snack bag that **we will provide**). The preschool can only provide water to drink with both AM and PM snacks. Children in the panda class can bring juice boxes, sippy cups or straw cups for lunch. **BOTTLES are NOT ALLOWED** once your child has turned one. Many of our parents have found the smaller camelback straw cups work the best!

If your child comes to early morning wrap around, they are welcome to bring breakfast and drinks with them. **All food needs to be cut up and bite size.** Learning to self feed is a big goal for our panda class. The teachers will focus on the children feeding themselves with their fingers and eventually using forks and spoons. Pouches and yogurts are fine, but we would love for them to work on chewing, and we will give the pouches to the children to use themselves.

Remember that we cannot refrigerate anything or heat up any food. Ice packs work well to keep food and drinks cold. The Thermos brand food containers are excellent at keeping food warm for lunch.

# The Bumblebees: Our Two Year Old Class

## SUPPLIES:

- Full Size Backpack (large enough to hold 8 ½ X 11 papers) The smaller backpacks are very cute, but unfortunately they do not fit everything. Please bring a full size bag for your child.
